

**“Saber” vs. “Conocer” Worksheet**

Translate this text, using saber and conocer in the appropriate context.

I don't know why, but I believe I know you. Aren't you the cook we know from Spain? You know how to cook very well. I don't know how to cook, but I want to learn. I know many people who are learning how to cook, and I like the idea of doing it. I know it's not going to be easy, but I'm going to enjoy cooking for my partner. I know a good place to go and learn. I'm going to register next week.
