An adjective is a word that modifies or describes a person, place or thing. The colors can be used as adjectives. Most descriptive adjectives come after the noun they modify. Adjectives must agree in gender and number with the noun they modify:

- 1) Most masculine adjectives add -e to form the feminine.
- 2) Most adjectives are made plural by adding -s to the masculine and feminine form.

Exercise 5.11: Translate to French.

1. His sister is very stubborn.
2. Her family is so stupid.
3. Her grandparents are arrogant.
4. Their brother is rather nice.
5. Their cousins are really strange.
